Last day of Term 1

Dear Parents, Carers, Students and Friends,

Creating an environment where we create, nurture and celebrate life long learning is our aim at Chisholm Catholic Primary. Whilst the children undertake a variety of rich, challenging and engaging tasks daily at school, we need to also take into account the need for them to have a balanced lifestyle. This includes sufficient time for family, recreation and cultural pursuits. Which should include many opportunities to play.

For young children there is no distinction between play and learning – it's all play and it's also learning.

Different kinds of play build different kinds of learning:

Creativity: when you encourage your child to play, it exercises imagination and helps your child express emotions.

 Role-play: dressing up gives your child a chance to act out scenarios that might otherwise be scary or confusing.

- Messy play: playing with paints or water or in the sandpit is a good outlet for emotions.
- **Coordination**: clambering over playground equipment teaches coordination, balance and physical limits.
- **Cooperation**: board games teach your child about taking turns, following the rules, counting and being a good loser. These are tough lessons for any child.
- Laughing: songs, books, riddles and rhymes tickle your child's funny bone and teach him or her new words.

As you are aware we recently celebrated Catholic Schools Week at Chisholm. During that week students, parents and teachers were asked the question –

What do you love about Chisholm? (Click on the link to find out what they said)

FROM THE ASSISTANT PRINCIPAL

Kindergarten 2019

For parents wishing to enrol their child in Kindergarten for 2019, applications are now being accepted. Interview times are being timetabled and conducted with the aim that they will be completed by the end of next term.

If you have any relatives or friends considering enrolling their child at Chisholm in 2019, now is the time to remind them to place their applications at the school office.

Enrolment forms are available from the school office during the school office hours.

School Grounds Safety - Car Park

In the interest of community safety parents and carers are reminded that children are not to be dropped off or picked up from the staff car park as this is dangerous, especially when vehicles are trying to reverse out of the school. The car park gates are closed during school hours.

The only cars permitted to park in the grounds are those with disabled access permission who must display their disabled sticker and must park within marked car spaces.

Thank you for your understanding and cooperation in keeping each other safe.

Andrew Emanuel - Assistant Principal

FROM THE RELIGIOUS EDUCATION COORDINATOR

Our Holy Week liturgy will be at 12.30pm on Holy Thursday 29th March. If it is fine weather it will be held outside but it will be in the MPA if it rains. Bede Polding students will be sharing their liturgy with us with some of our students helping with the prayers. We are also learning the music suggested by the Bede Polding teachers. Parents are welcome to come and share this solemn occasion with their children. It would be wonderful if parents were able to take their children to some of the Easter ceremonies in our local parish over the Easter weekend.

PARENT PRAYER - Come and join us!

"Be still and know that I am God."

Each Friday in Lent, parents are invited to participate in Lenten prayer in the Music Room from 8.45am to 9.05am. This is a time of stillness and reflection out of your busy day.

In Christ.

Merilyn Hancock - Religious Education Coordinator

NRL Visit

On Monday 26th February, 2 NRL players, Josh Mansour and Jed Cartwright from the Penrith Panthers came to visit Stages 2 and 3. They spoke to us about nutrition and healthy living as well as the importance having a healthy and active lifestyle.

We were excited to meet the players in person and ask them interesting questions about how they became professional football players.

It was a great and valuable experience for us at Chisholm.

Learning Matters

In music lessons in Kindergarten, Year 1 and Year 2, students are introduced to music appreciation of different types of music. Every lesson they have the opportunity to play percussion instruments and bucket drumming will be introduced next term. They are learning about beat and rhythm and Year 2 has been introduced to rhythm notation, which is the forerunner to reading music.

In music lessons, students in Years 3 and 4 will be learning recorder. Recorders are interesting musical instruments that have been around for 500 years. Plastic ones are relatively cheap to buy and when played well are pleasant to listen to. There are actually five different recorders: sopranino, descant, treble, tenor and bass. There is a lot of suitable music that can be used for recorders to play in ensembles. The school will purchase the particular recorders we would like students to use.

Years 5 and 6 will be learning to use Launchkey keyboards (small piano keyboards that connect to the laptop) with Garageband. The school has purchased 12 Launchkey keyboards. This will give these students an opportunity to compose and record music.

In the lunch hour on Tuesdays we will be offering students the chance to join the Chisholm Ensemble. Some students who are having music lessons outside school have the opportunity to share their skills and love of music with other students. We plan to have more than just recorders in the ensemble.

On Tuesdays, we are privileged to have Mr. Phil Rooke, the Music Teaching Educator from CEDP assisting myself and the students with their learning.

We are safe, honest, respectful learners!
