26 October, 2021

Dear Parents/Carers,

October is Mission Month when we remember children in developing countries who need our support. This year, the focus is on Thailand, and in particular, the school in Bangkok run by the Good Shepherd Sisters. Children in these countries do not have footballs with which to play games so they make their own soccer balls from whatever they can find.

Our students have been learning about the culture of Thailand and how children make a soccer ball from anything they can find. Our senior students have made soccer balls in a similar way and will have an opportunity to play a game with their friends at school. To support the children in Thailand, who have so little, our Chisholm students are going to wear "silly socks" to raise money for Catholic Mission. They may wear "silly socks" all week from 1st November. and bring in a gold coin. Some of our senior students have been saving their pocket money to donate to Catholic Mission.

Yours sincerely,

(Mrs.) Merilyn Hancock  
Religious Education Co-ordinator

***Chisholm is a safe, honest and respectful learning community.***
